<p>Food Sponsorship</p> <p>Because of the lockdown due to COVID-19 pandemic, the community people in the Udaipur urban area are facing various problems. The discontinuity of jobs and businesses resulted in great difficulty to get regular daily essential supplies. When this situation came to notice at Foster Care Society, our organization tried to help these needy families by providing them with ration kits. We delivered to widows, families of labourers, and a children shelter home. We thank from bottom of our hearts to our generous donors who supported us in this cause</p>	 <p>Month- June 2021 Place- Udaipur</p>

Media Conference

It is only in family-based care that the best interests of the children can be ensured. – Devashish Mishra

All children have the right to grow in a family environment that is filled with happiness, love and understanding. Family and family environment is most conducive for the all-round development of children.

A press conference was organized by Foster Care Society working with the same objective in which detailed information was given about foster care and discussions were held on the best interest of those children who are in need of care and protection and foster care is considered appropriate as it link the child to the deep roots and values of the family.

In the event, Child Protection Specialist from Children's Emergency Relief International (CERI), Mr. Devashish Mishra, explained in detail all the rules, procedures and requirements related to the foster care program. Also, all the queries of the guests present were answered.
